

## National Forum on Antimicrobial Resistance

Friday 3<sup>rd</sup> November 2017

08:15 – 08:45	Registration, Tea and Coffee		
08:45 – 08:50	Acknowledgement to Country		
08:50 – 09:00	Welcome and Forum Objectives: Dr Minyon Avent, Queensland Statewide Antimicrobial Stewardship Program		
09:00 – 09:15	Government Welcome: Dr John Wakefield, Deputy-Director General, Clinical Excellence. Division, Queensland Health		
09:15 – 10:00	Keynote speaker: Professor Alison Holmes , Imperial College, London		
10:00 – 10:30	Journalist: Jason Gale, Bloomberg Media Distribution		
10:30 – 11:00	Morning Tea		
11:00 – 12:30	Session Topic Realising the promise: Implementing AMS	Session Topic Getting it right: Appropriate use of antibiotics	Session Topic Unintended consequences of antibiotic use: Resistance in respiratory disease and the impact on the gut microbiome
	Room: Auditorium	Room: Seminar Room 1	Room: Seminar Room 2
	Chair: TBC	Chair: TBC	Chair: TBC
	Antibiotic use surveillance, risk factors and behavioural drivers for antibiotic use <i>Speaker: Dr Laura Hardefeldt, National Centre for Antimicrobial Stewardship</i>	Improving Antimicrobial Stewardship by antibiotic allergy de-labelling <i>Speaker: Dr Jason Trubiano , Austin Health</i>	The problem and solutions for AMR in paediatric cystic fibrosis <i>Speaker: Professor Claire Wainwright, The University of Queensland</i>
	AMS implementation: IV to Oral switch <i>Speaker: Dr Brendan McMullan, Sydney Children's Hospital</i>	Desensitisation Pearls <i>Speaker: Mr Sean Unwin, Princess Alexandra Hospital</i>	Antimicrobial resistance in atypical mycobacterial infections <i>Speaker: Dr Rachel Thompson, The University of Queensland</i>
	Resource Poor Settings <i>Speaker: Dr Tom Schulz, National Centre for Antimicrobial Stewardship</i>	Critical Care <i>Speaker: Professor Jason Roberts , The University of Queensland</i>	Assessing the effects of antibiotics on the gut microbiome <i>Speaker: Dr Sanmarie' Schlebusch, Mater Pathology</i>
12:30 – 13:15	Lunch		
13:15 – 14:00	Chair: TBC Keynote speaker: Dr Anton Peleg: Advances at the bench that show promise for combating AMR		
14:00 – 15:30	Session Topic	Session Topic	Education and Communication – Essential

	Quality antibiotic use in Australian Indigenous communities	Sharpening the response to AMR by utilising surveillance	tools in the response to AMR
	Room: Auditorium	Room: Seminar Room 1	Room: Seminar Room 2
	Chair: TBC	Chair: TBC	Chair: TBC
	Yarning about ears and antibiotics <i>Speaker: Ms Claudette (Sissy) Tyson, Southern Queensland Centre of Excellence in Aboriginal &amp; Torres Strait Islander Primary Health Care</i>	National Surveillance Update <i>Speaker: TBC</i>	The Sanford Guide: pearls learned in the development of the antibiotic 'Bible' <i>Speaker: Dr Henry Chambers, The University of California, San Francisco</i>
	Watchful waiting versus antibiotics for acute otitis media for Aboriginal and Torres Strait Islander children living in urban areas <i>Speaker: Dr Geoff Spurling, Southern Queensland Centre of Excellence in Aboriginal &amp; Torres Strait Islander Primary Health Care, Inala</i>		
	Antibiotic dosing in Indigenous people <i>Speaker: Dr Danny Tsai, The University of Queensland</i>	Surgical prophylaxis: Data from the Surgical National Antimicrobial Prescribing Survey 2016 <i>Speaker: Dr Rod James, National Centre for Antimicrobial Stewardship</i>	Role of education in primary care <i>Speaker: Professor Mieke van Driel, The University of Queensland</i>
	Engaging Aboriginal Australian and Torres Strait Islander Communities <i>Speaker: Dr Malcolm McDonald, James Cook University</i>	Veterinary data on AMR across classes and species <i>Speaker: Professor Darren Trott, The University of Adelaide</i>	Getting the language right <i>Speaker: Professor Karin Thursky, National Centre for Antimicrobial Stewardship</i>
15:30 – 16:00	Afternoon Tea		
16:00 – 17:15	Panel Discussion: Where is this heading? Antimicrobial resistance in 2028		
	Room: Auditorium		
	Chair: Dr Krispin Hajkowicz		
	<ul style="list-style-type: none"> <li>• Dr Stefan Hajkowicz – Theme Leader CSIRO futures – Global Megatrends</li> </ul>		

	<ul style="list-style-type: none"><li>• Professor David Paterson, The University of Queensland</li><li>• Dr David Jordan, NSW Primary Industries</li><li>• Dr Teresa Wozniak, Queensland University of Technology</li><li>• Professor Alison Holmes, Imperial College, London</li><li>• Professor Karin Thursky, National Centre for Antimicrobial Stewardship</li></ul>
17:15 – 17:30	Wrap Up and Close: Dr Minyon Avent, Professor Jason Roberts & Professor Karin Thursky
